Spanish. When Cervantes wrote Don Quixote, it was not yet a seminal masterpiece of European literature, the book that crystallized forever the making of literature out of life and literature, that explored in typically ironic fashion, and for the first time, the blurred and shifting frontiers between fact and fiction, imagination and history, perception and physical reality, or that set the

Don Quixote Wikipedia

The language of Don Quixote, although still containing archaisms, is far more understandable to modern Spanish readers than is, for instance, the completely medieval Spanish of the Poema de mio Cid, a kind of Spanish that is as different from Cervantes's language as Middle English is from Modern English. The Old Castilian language was also used to show the higher class that came with being a knight errant.
