### **Crossfire by Sylvia Day series read any book com**

The whole book series span about in a timeline of 3 4 months. And so many things happens in those months which is just absurd. I mean if this was a trilogy at max, yeah I probably would have been considerate. But five books!! Sylvia Day give your characters time to breathe. Don t flip their lives 360 degrees just like that. I think there should have been at least one time skip.
