I thought the president has been shot was a great informational book. It is about ten accounts of conspiracies, plans, and stories. The best story in the book was the story of Abraham Lincoln. President Lincoln had many accounts of trying to be assassinated. A man named John Wilkes Booth finally succeeded. He had been shot at Fords theatre. Overall, this book is very informational and a good read.

Overall, The President Has Been Shot was a fascinating look into the life, presidency, and assassination of John F. Kennedy. It s a good book for kids to learn history, but it really is a young adult novel ten was too young for Daniel to read on his own. Reading it together I was able to explain vocab words and edit out some of the more disturbing descriptions of the association that would be fine for a young adult.
